Bruce and Family,

Many thanks for the wonderful gifts you sent. We were thrilled with each package in the tower. We felt like kids on Christmas morn. We certainly appreciate that you and all of the staff are always available to help us with the Kentucky buildings. It means so much to us that we can depend on Ott Company to provide quality workmanship and pride in your accomplishments.

Merry Christmas

Dee and Keith Schoenberg

Dear Dennis - 6 May 2005

Thank you and your people for  
a very nice job.  
The fruits of their efforts is  
well represented in the finished product.
